FRONT END WEB DEVELOPER

HTML | CSS | JAVASCRIPT | REACT.JS | UI/UX | Git

I am a **software engineer** with a BS degree and expertise in **front-end development** and **data analytics**. I completed the **Meta Front-End Developer** specialization, gaining proficiency in **HTML, CSS, JavaScript, React, and responsive design**. Additionally, certifications in **Google Data Analytics** and **Microsoft Power BI** enhanced my skills in **data visualization, Power BI, and DAX**. I am passionate about building **user-centric web applications** and leveraging **data-driven insights** to enhance functionality and user experience. My goal is to develop **high-performance, scalable web solutions** that drive **business growth and innovation**.

TECHNICAL SKILLS

- HTML5
- CSS3
- JavaScript (ES6+)
- React.js (Component-based development)
- Tailwind CSS
- Bootstrap
- Responsive web design
- Version Control (Git & GitHub)
- UI/UX Design Principles
- Wireframing & Prototyping
- Browser Developer Tools

SOFT SKILLS

- Problem-Solving
- Attention to Detail
- Time Management
- Communication & Collaboration
- Teamwork
- Creativity

PROJECTS

PORTFOLIO WEBSITE

- Developed a **responsive and interactive portfolio website** using **HTML, CSS, and JavaScript** to showcase projects, skills, and professional experience.
- Implemented **modern UI/UX design principles** with **CSS Flexbox and Grid** for a visually appealing layout.
- Enhanced user experience with **smooth scrolling, animations, and a dynamic contact form**. Ensured **cross-browser compatibility and mobile responsiveness** for seamless viewing across devices.

LITTLE LEMON RESTAURANT WEBSITE

- Built a **responsive and interactive restaurant website** for **Little Lemon** using **React.js**, showcasing the restaurant's menu, location, and contact details.

- Implemented **React Router** for seamless navigation between pages, and used **state management** to handle dynamic content such as the menu items and special offers.
- Applied **CSS modules** and **React hooks** to optimize the user interface and enhance the website's performance.
- The website is **fully responsive**, ensuring an excellent experience on both desktop and mobile devices.

WORK EXPERIENCE
